It is vitally important that you protect your PC with up-to-date virus detection/protection software. Failing to protect your PC could result in poor performance and/or render your PC unusable.

TERMS & CONDITIONS

Consumer assumes all risk of loss and damage to the end-user equipment from any cause whatsoever. I am over age 18 and agree to review the Terms and Conditions as stated on the KTIS web site (www.ktis.net). If these Terms and Conditions are not acceptable to me, I will immediately contact KTIS to terminate my account and terminate use of KTIS Services. I understand that the Terms and Conditions may change from time to time and that any such change shall be effective immediately upon posting at www.ktis.net. By continuing to use the Service, I accept any such changes. If at any time the changes are not acceptable to me, I will terminate this Agreement by contacting KTIS and providing notice of termination in accordance with the Terms and Conditions. Minimum term of service is one month.
